

# HONOR ROLL 2003-2004

## Dear Alumni and Friends:

Your generosity during the Widener Law Fund campaign of FY03-04 allowed the Development Office team to exceed our annual fund goal, raising \$255,736 to offset the law school's operating budget. The entire Widener Law community is deeply grateful for your support.

With the start of our new fiscal year on July 1, 2004, the Development team set three new objectives:

- to reach our new annual fund goal of \$252,000
- to achieve alumni pledges of \$60,000 through our student phonathon program

- to increase the participation of alumni in our annual fund campaign

This year, a new initiative is planned to promote the importance of alumni participation through a campaign called the Alumni Challenge for Excellence. There are several reasons why this initiative is so important:

- Corporate donors, foundations, prospective students, parents, faculty and the media focus on the percentage of alumni who give annually as a reliable means of measuring Widener Law School's credibility and well-being.
- Widener Law School's Alumni participation rate of 13% lags behind those of other regional law schools.

- Law School alumni participation rates are reported to and published by the American Association of Law Schools, Section on Institutional Advancement.

Please participate in the Alumni Challenge for Excellence this fiscal year by considering a gift to the Widener Law Fund. Your gift, large or small, will demonstrate your confidence in and support for the excellence of Widener University School of Law.

Sincerely,

Mary R. Berger  
Director, Widener Law Fund

## Dear Alumni and Friends:

Dean Avins

Those of us who remember the earliest days of the Law School recall the moment when Dean Alfred Avins contacted us with our acceptance to Delaware Law School. It was a pivotal time in our lives and careers.

Without Dean Avins' vision, persistence and the opportunities he created, we would not be fulfilling our dreams today. The Avins Campaign now seeks to name the library of Special Collections, a treasure of rare and unique books within the Legal Information Center, in his honor. Now is the time to recognize Alfred Avins' "remarkable achievement" as it was so eloquently stated by Judge Edward R. Becker, U.S. District Court for the Eastern District of Pennsylvania on July 29, 1976:

*First and foremost, were it not for Alfred Avins, who came to Delaware as a sojourner in aid of a political campaign, many hundreds of young men and women (and many thousands in the years to come) would not have had the opportunity that they now will have, because of him, to practice law... Second, unlike those who might have started a law school with the aid of considerable financial resources, or an existing educational establishment, Avins started one from nothing, out of nowhere as it were. By application of enormous resourcefulness, remarkable energy and perseverance and considerable intelligence, by acting as the proverbial 'chief cook and bottle washer' and partaking of virtually augean labors, Avins single handedly built a physical plant and a library, recruited faculty and attracted a student body... It was a remarkable achievement."*

As alumni, you represent this achievement. Please join our campaign to name this impressive library collection for Dean Alfred Avins by giving generously. We have raised \$70,000 toward our goal of \$250,000. The committee plans to reach this goal before May 24, 2005, the fifth anniversary of Dean Avins' death. Please help us realize this special tribute to our founder by giving at least \$1,000 towards his campaign.

Gratefully yours,  
Steve Barsamian, Esq. '75  
John Wetzel, Esq. '75  
Co-Chairmen, The Avins Campaign
